

ALACHUA WILL HAVE A SPLENDID EXHIBIT

Manager Tench Has Worked
Hard, and Has Met Success.

DISPLAY WILL BE DIVERSIFIED

It Will Show to Great Advantage the
Possibilities of the County as a
Farming and Fruit Growing Coun-
try, Manufacturing, Etc.

If Alachua county does not capture
the first prize at the big State Fair it
will not be because we have not
worked for it. Major Jown W. Tench,
who has been engaged in collecting
county exhibits, and will manage the
same at the Fair, has spared no labor
in making what should be one of the
finest exhibits ever seen at any State
fair.

The collection will comprise every-
thing of an agricultural and horticul-
tural nature, and the mining and
manufacturing enterprises of Alachua
county will also be shown up to ad-
vantage. No county in Florida has
better or more prolific farming and
fruit growing lands, and at the State
Fair people from the whole world may
see our advantages. Manager Tench
has exercised care in selecting only
the best, and people from this county
will be proud of the exhibit.

The cattle industry of Alachua coun-
ty will also be well represented, as
Manager Callison of Spring Park Farm
will have a fine display.

C. C. Pedrick, the buggy and wagon
manufacturer, with characteristic en-
ergy, has made a special half dozen
"jobs" for the Fair which are bound to
attract the admiration of those who
are interested in vehicles. Mr. Ped-
rick is one of the most extensive
manufacturers of buggies in the State,
and his exhibit alone will be a credit
to the manufacturing exhibit of this
county.

Manager Tench has made arrange-
ments to leave Gainesville Wednes-
day, which will give him ample time
to arrange the exhibit for the opening
of the Fair, which will be on the 15th.

DEATH OF MRS. YOUNG.

Former Gainesville Lady Passed Away
at Her Savannah Home.

Information was received in this city
Friday afternoon of the death of Mrs.
Kate R. Young, which sad event oc-
curred at her home in Savannah at 9
o'clock Friday morning.

Deceased was about sixty-two years
of age. She was born in Camden, S. C.,
but came to Florida directly after the
Civil War, and during most of her resi-
dence in this State had lived in Gaines-
ville. She was a member of the Pres-
byterian Church, and a noble, Chris-
tian lady, doing much active work in
the church for the cause of her Master.

Mrs. Young is survived by two sons,
Hal and Heywood Young, two broth-
ers, J. D. and W. C. Matheson, and
three sisters, Mesdames S. M. Adam-
son of this city, Elizabeth McCuen of
Santa Fe, N. M., and Mamie McCaa of
Portsmouth, Va., to whom the sym-
pathy of the community is extended.

No funeral arrangements had been
made up to a late hour Friday night,
but it is supposed that the remains will
be brought to this city.

"I Thank the Lord!"

Gried Hannah Plant of Little Rock,
Ark., "for the relief I got from Buck-
ley's Arnica Salve. It cured my fearful
runny sores, which nothing else would
heal, and from which I had suffered
for 5 years." It is a marvelous healer
for cuts, burns and wounds. Guar-
anteed at all drug stores; 25c.

Spend Winter in Arctic Ocean.
San Francisco, Nov. 3.—Eleven
whaling vessels, comprising almost the
entire fleet which sailed from this
city, have been caught in the Arctic
ocean. They will not be able to get
out until next July or August, and in
the meantime their crews of 440 men
must face the hardships of a winter in
the north. This startling news is
conveyed in a telegram to Lewis An-
derson and Ford & Co., of this city.
The telegram comes from Captain H.
H. Bodensick, of the steamer William
Boyle, and states that only this ves-
sel and the schooner Monterey were
able to escape.

Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out.

Fill a bottle or common glass with your
water and let it stand twenty-four hours;
a sediment or set-
tling indicates an
unhealthy con-
dition of the kid-
neys; if it stains
your linen it is
evidence of kid-
ney trouble; too
frequent desire
to pass it or pain
in the back is
also convincing proof that the kidneys
and bladder are out of order.

There is comfort in the knowledge so
often expressed, that Dr. Kilmer's
Swamp-Root, the great kidney remedy,
fulfills every wish in curing rheumatism,
pain in the back, kidneys, liver, bladder
and every part of the urinary passage.
It corrects inability to hold water
and scalding pain in passing it, or bad
effects following use of liquor, wine or
beer, and overcomes that unpleasant ne-
cessity of being compelled to go often
during the day, and to get up many
times during the night. The mild and
the extraordinary effect of Swamp-Root
is soon realized. It stands the highest
for its wonderful cures of the most dis-
tressing cases. If you need a medicine
you should have the best. Sold by drug-
gists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a
book that tells all about it, both sent free
by mail. Address Dr.
Kilmer & Co., Bing-
hamton, N. Y. When
writing mention this paper and don't
make any mistake, but remember the
name, Dr. Kilmer's Swamp-Root, and
the address, Binghamton, N. Y.

SURVEYING CORPS HOME.

Returned From Tampa After Completing
G. & G. Survey.

After completing the survey of the
Gainesville & Gulf Railway from Fair-
field south to Tampa, the surveying
corps, under command of Surveyors
J. W. Patton, A. W. Taylor and others,
have returned to this city.

Mr. Patton states that the task was
one of great difficulty, owing to the
large area of swamp lands which the
party encountered in several in-
stances. Considering the nature of
the country, the work was completed
in a very reasonable time, although a
longer period was consumed than was
originally anticipated.

Surveyor Patton is elated over the
prospects of the new extension of the
Gainesville & Gulf and the benefit
which must naturally accrue to
Gainesville. He declares the Gaines-
ville & Gulf will traverse one of the
richest and best sections in Florida,
where not only the land is fertile, but
the country abounds in fine yellow
pine and cypress timber which has
never been developed owing to lack of
transportation facilities.

Pirating Foley's Honey and Tar.

Foley & Co., Chicago, originated
Honey and Tar as a throat and lung
remedy, and on account of the great
merit and popularity of Foley's Honey
and Tar many imitations are offered
for the genuine. These worthless im-
itations have similar sounding names.
Beware of them. The genuine Fol-
ey's Honey and Tar is in a yellow
package. Ask for it and refuse any
substitute. It is the best remedy for
coughs and colds. J. W. McCollum
& Co.

What Happened.

Counsel—Well, after the prisoner
gave you the blow what happened?
Prosecutor—He gave me a third one.
Counsel—You mean a second one.
Prosecutor—No, sir. I landed him the
second one.

It is the girl who marries a rough
diamond who often gets the most real
diamonds to wear.—Life.

No Case of Pneumonia on Record.

We do not know of a single instance
where a cough or cold resulted in
pneumonia or consumption when Fol-
ey's Honey and Tar had been taken.
It cures coughs and colds perfectly,
so do not take chances with some on-
known preparation which may contain
opiates, which cause constipation, a
condition that retards recovery from
a cold. Ask for Foley's Honey and
Tar and refuse any substitute offered.

Road Cost \$75,000 Per Mile.

San Francisco, Nov. 3.—Major L.
W. Kennon, who has had charge of the
construction of a wagon road from Ma-
nila to Baguio, in Benguet province,
arrived yesterday on the transport Lo-
gan from the Philippines. His road,
it is reported, is the finest in the island
and has cost the government at a great
sum, amounting to between \$1,500,000
and \$2,000,000. Major Kennon is an-
thority for the statement that the road
cost \$75,000 a mile for the last 20 of
the 50 miles up into the mountains,
where forests had to be cleared away
and rocks cut through. But the thor-
oughfare is now ready for the laying
of rails, if the government should de-
cide to build a steel highway there.

Best Liniment on Earth.

Henry D. Baldwin, Superintendent
City Waterworks, Shullsburg, Wis.,
writes: "I have tried many kinds of
liniments, but I have never received
much benefit until I used Ballard's
Snow Liniment for rheumatism and
pains. I think it the best liniment on
earth." 25c, 50c and \$1. Sold by W.
W. Johnson.
